### HAPPY NEW YEAR

The cards have been shuffled for another year and the entire civilized world is looking expectantly forward to a "new deal." The past three years of depression have brought privations and bitterness in many quarters and in others have developed a new and more sympathetic outlook. Suffering on all hand has done more to develop the brotherhood of mankind than years of prosperity and high living could have done. In the mad race for wealth the weaker were cast to the waysides and the stronger passed over their prone bodies.

To-day, while looking forward expectantly to brighter times with more than a little ray of hope that "old man depression" has at last held himself around the corner and better times are in the offing, the eyes of the world are on Uncle Sam and his great experiment in the N.R.A. His success is practically assured with the national support which is given it by the confidence with which people take a whole, look to their President as the Moses who will lead them to the Promised Land. We cannot but admire the enthusiasm and the whole-hearted cooperation which our neighbors to the South are showing to their leader. It is an extraordinary worthy of emulation.

The new year may mean the commencing of another cycle of social progress. It is too much to expect that human beings will be content to regress, to scrap their learnings and the progress which have produced to make their labors lighter and their leisure greater. It is their right to enjoy the benefits of science and civilization which will never be content to go back to a lower standard of living. Nor should they be, and gradually the existing forces, which apparently demand such for the reclamation of prosperity, will be discarded and the whole of civilization will demand a "new deal."

Hope springs eternal in the human breast, and that hope has been a force in human development which has accounted for most of our steps of progress. The man who hopes for better things when he made his first steps in the development of craftsmanship, and all down the paths of the ages, man's aim has ever been to better his circumstances, his own and that of his family. Instinctively this has followed him to become one of the outstanding characteristics of the race. It will continue to follow him, and civilized man will demand the "new deal."

The new year, a return to prosperity, will mean one more step upward toward the achievement of our hope.

It is more than slightly probable that 1934 will go down in history as the year of the beginning of great social reforms. The memory of last year will prevent great good to reforms which will prevent a recurrence of their tragedies.

The new year may be one of the "rise or fall" years. To our youth are broadening and thinking. They have come out from their schools ready to tackle the problems of the world, to work without of progress, grooves of a great tradition, unwilling to find themselves outcasts, unwanted, and with no chance to do anything but stand and hence the younger years are led the youths of the past years to advise themselves and go in search of advi-

ture still to day, for the spirit of youth is the same to-day as of old. When opportunity offers they will reach up with eager hands to right the wrongs which humanity has been suffering. They who have left the ravages of the disease will be eager to receive the cure. The world of to-day must look to its youth. We are too prone to regard the young man as inefficient. We forgot that Pitt the younger was Prime Minister of England at the age of twenty-four and that at sixteen years of age he was speaking in Parliament and we forgot that Cecil Rhodes at nineteen was building an empire for himself and Britain, and that the Master Teacher was but twelve years of age when he started his ministry and had established a philosophy of living before he had completed his thirty-year, a philosophy which has grown and flourished through nearly two thousand years.

Perhaps the failures of the past years will have taught us the lesson of giving youth its chance, and the new year open into a brighter day for the youth of Canada and the civilized world. If it does then indeed, we may fervently say "Happy New Year."

### THE RATEPAYERS' ASSOCIATION

It will be noted elsewhere in our columns that the Ratepayers' Association is to be re-organized and the date has been set for the annual meeting and that reports will be turned in and the new officers elected. That the Association is able, financially to start out with a clean slate, is a matter of pride for the officers, but with the election of our local council it will be noted that the Association officials ranks were sadly depleted. It will be necessary, at the annual meeting, to replace those members who have "stepped up." They are still ratepayers, and no doubt still members who are interested in the Association, but it is apparent that since such an organization purposes to act as a connecting link between the Council itself and the mass of the taxpayers, the officers of one cannot reasonably be expected to act on the other, anymore than an elected M.P. could be expected to act on a Town Council.

There is still good material and it behooves the ratepayers to be present and to see that a real Executive is elected to the Association. When we glance over the names on the ballot sheet of last September we are reminded that there are many names on that list of those not in the Council Chambers on Hapnot St. There are some good men who may be future Councilors, whose interest may well be manifested in the work of the Ratepayers' Association.

### TWO YEARS AGO

The New Year's date under the auspices of the Girl's Club was a huge success. Three deaths were recorded in the week. Mr. J. B. Waddell of Deseronto, died on a boat named Fred Brown, employed on the Beaver Lake Highway, succumbed from pneumonia, and Mrs. Wynne Hartman died from pneumonia, and Mrs. Wynne Hartman died from pneumonia, and Mrs. Wynne Hartman died from pneumonia.

M. A. Foster was re-elected President of the Community Club. Officers were installed by the Masonic Lodge and a joint installation was given passing by the Rebekahs and Oddfellows Lodge. The Novity Night was given by Chuck Brewer's rink with the Brampton rink visiting the rink. The rink was very successful and the rink was very successful.

### ONE YEAR AGO

The Flin Flon Brigade was organized. The German Consulate today held Christmas celebrations at the Legion Hall and at the Community Club. The German Consulate today held Christmas celebrations at the Legion Hall and at the Community Club. The German Consulate today held Christmas celebrations at the Legion Hall and at the Community Club.

### SEVERAL LOCAL PERFORMERS REPORTED CHRISTMAS WEEK

Several small troupes were reported to the Council of the Flin Flon community by Fire Chief E. E. Smith, who might dozens were recorded, and he general advice and been turned in.

On the evening of Dec. 23rd, the Flin Flon troupe of the All Legion (Globe) was an outstanding hit both for its efficiency and the amount of entertainment was not great. The Christmas evening a Christmas Eve was reported at the home of Mrs. King on Hill St. in the C. O. City building. The troupe was due to the building and the Christmas Eve was properly reported.

On Dec. 27th, five troupes at the Kenyon home at 510 1/2 St. at 10:30 a.m. on Monday night. The troupe was due to overhauled place. At approximately the same time, 10 a.m., Am. Dec. 27th, a troupe was in the Flinch building, in the office of the North Star Fuel and Ice, but was not reported. An unexpected fire of pipe caused the outbreak. Local hydrants have all been tested and are in good shape and four more extinguishers are being placed in the Callahan and Rose Lake areas and the extinguishers will be dealt with in the limited time future.

Several extinguishers are placed in various points on the townsite in areas outside of reach of the hydrants. These include Hapnot St. Callahan, 1st and 2nd Ave. E. North of the Flin Flon, and one will be placed in Rose Lake area.

A plan for a Mutual Insurance of ratepayers will be turned in by the council at the present.

### BIRTHDAY CONGRATULATIONS

COMMUNITY CLUB TO HOLD GENERAL MEETING JAN. 25TH

General Activity is Seen in All Branches of Sport

The general meeting of the Flin Flou Community Club has been called for January 25th when the financial statement will be presented and any matters brought before the Executive.

A statement of receipts and disbursements for the period from Sept. 20th to Dec. 31st has been attached to the monthly bulletin which appeared December 31st, and a special budget will be presented at the general meeting.

The new basketball schedule has been prepared, and appear in another column. The game is being conducted on the same schedule as last season in drawing a number every Tuesday and Friday.

Skating has been commenced on the new sheet of ice and a new walking route provisionally necessary in the morning, and will be in the line with a real league schedule in progress.

The Curling Club is bigger and better than ever before this year and a good season is looked for. The Club Saturday night dances are drawing good crowds and the free dance for members the first Saturday of each month is a highly favored function.

All members of the club are urged to be present at the general meeting on Jan. 25th, commencing at 8 p.m.

DORNEY CLUB PLAN TO BRING DAUTHIN TEAM HERE

The local hockey club is planning to bring the Dauphin Hockey team over to play on January 13th and 14th, and later a return game will be given by the locals by The Pas boys.

The game with The Pas Christmas Day, resulted in a 4-3 score for The Pas. The local boys hope to reverse the score on their own ice. Goal games are being exhibited on the new ice this past week, but owing to excessive cold the attendance has not been large. On Sunday the Hill defeated the Hill on 2-1 and on Monday they scored another victory giving the Hill the short end of a 2-2 score. Home scored all three goals for the Hill with McLaughlin scoring for the Hill.

E. BOLAND HURT AT THE PAS

Ed Boland "Holy" local telephone agent and line man had the misfortune to fall from a pole while making a line in The Pas Christmas evening, resulting in the breaking of an ankle. He was taken to St. Anthony's hospital for treatment and is expected to be able to return home to-day.

FAN DANCERS OR SONG BRIDS

To say that the appearance of the "fan dancer" here this last week was anything but a disappointment among the theatre-going public. There can be little doubt that the management had excellent intentions of presenting a real attraction, and Miss Baker's performance could have been considered such even by a wide stretch of imagination, and her attempt to bamboozle her audience by publicly "passing the buck" to the orchestra was well-ventilated and showed a decided lack of sportsmanship. If the act that Miss Baker presented to the Flin Flon audiences is one which enables her to continue her own plans to be engagements her publicity manager is a past master in the art of kidding the public and Barnum knew his stuff when he said "This is one born every minute."

Curiosity is a human trait which is paramount and curiosity will pack a house. We recall of a certain showman who advertised a cherry colored cat. Ten cents to see the cherry colored cat! His tent was packed and a smiling crowd came through the exit and their friends followed through the entrance. Inside of a cushioned a huge black cat and on a spring nearby hung a large black cherry. Sure, a cherry colored cat! It is rumored that it expects warrant to the Northland Theatre will endeavor to present Kate Smith to local audiences. If the "song bird of the south" cannot

draw a bigger crowd of the intelligencia of Flin than any fan-dancer that ever covered "The Streets of Paris" or any other streets, it is almost time for a cultural and educational campaign. What any owner of cats gets in amusement is triflingly up to it people. All theatres are in business to satisfy their patrons. You pay the paper and name the tune. If you want something, for it, you don't like it, say so. If you don't, tell the management. They are striving to please. You not give them a chance?—(This is not an advertisement)

RATEPAYERS' ASSOCIATION

The annual meeting of the Ratepayers Association of Flin Flon, held on Monday evening was quite a satisfactory meeting viewed from several angles. Retiring officers who now hold positions of the Council appeared to be in complete sympathy with the purpose and workings of the organization, and in the personnell of the new president and secretary it is widely of opinion that the association is well equipped for the future. The newly appointed committee, noted for their outspoken qualities and occasionally a marked antagonism in viewpoint are now amicably teamed up to work harmoniously for the good of the city. There may be many a battle royal which will bring out the pros and cons of each and every situation for the enlightenment of the people, but the interest in civic affairs.

It has been noted that a placid stream flows most swiftly, and we are willing to prophesy that the Ratepayers' Association meetings will be interesting, active and moving "turbulently." They can do much to help to keep the city well supplied and they will undoubtedly do much to serve as a stern watch-dog over the actions of the City Fathers, safeguarding the interests of the citizenry. The future voters down on their line horns, and seeing that they follow the new President's battle slogan "How to the line. Let the chips fall where they may."

**ROAD TO DENARE BEACH MAY BE COMPLETED THIS WINTER**  
Work has received here this week from an authoritative source, after it has been yet been officially announced that work will be commenced this spring on the Beaver Lake Road to Denare Beach. Some work was done on this over a year ago but there is still an enormous amount to be completed and it will be a matter of considerable interest to know that at least the Saskatchewan Government may see fit to finish the particular highway.

**Reg'lar Fellers' Column**

Well fellows, we've got over the Christmas and New Year holidays and are settled down for 1934 which we should make a banner year.

Our show was a financial flop but we're not worrying as we realize we chose a poor time to put it on but just watch our step out in February when we intend to put on a show after the big dog race which reminds us that Fergus Brewster, your Crabsbury Purveyor will be here again and Reg'lar Feller Jack Weston states that he will send an e-cy again this year.

Last week Reg'lar Feller Hedy took twenty-three of us around the world with him when he told us of an experience and a lot of faces we had never heard of before.

On Sunday Reg'lar Fellers Edith and Henderson took twenty-four of us out on a hike along the Beaver Lake road. We took along a lunch, built a camp fire and had a swell time of it. The "farmer" was pretty kind when we got back but says he wants more of them.

Now Fellers we've got to keep up the attendance at our meetings which are held every Wednesday night at 7 o'clock so try to attend regularly.

Reg'lar Feller W. A. Green had our charter framed for us and it sure looks swell on the lodge wall. Mr. Green is just another member who believes that actions speak louder than words and we all appreciate his gift to us.

During 1934 we'll try to prove that the last line of our chorus "Everybody's happy here" is true.

**"TOO MUCH HARMONY"**

Paramount's "Too Much Harmony" is a musical comedy comedy extravaganza currently playing at the Rex Theatre Wednesday and Thursday nights. It is a cast of favorite screen stars including Bing Crosby, Jack Oakie, Sheta Gledhill, Judith Allen, Harry Green, Lillian Tushman and Ned Yon.

The film, the third musical comedy has appeared in for Paramount, reveals the top-notch manager of America as a musical comedy star who is regarded in the second act. A charming, dollar-a-day band. He falls in love with another girl, romps for her and before the footlights and finally wins her after an amusing series of highly interesting sequences.  
In addition to being the finest point of the musical plot, Crosby sings several brand new hit tunes, especially composed for him. Jack Oakie and Sheta Gledhill are cast as a team of footlight fools who mistakenly go high-hat when they hit Broadway.

**MUNICIPALITIES NOT OBLIGATED**

An important judgment was handed down in a Hamilton division court the other day which may have a far-reaching effect, that municipalities are not under legal obligation to take care of all who are in distress because of unemployment.

It appears that a Hamilton man was deprived of relief by the city because he was the owner of an automobile and a radio. He entered suit against the authorities on behalf of his children and himself and the decision of the division court is that municipal governments are not bound to provide relief; that any assistance given is a privilege and not a right, so far as the recipient is concerned. It might be well for a good many

people to realize just what is involved in a judgment of that kind. There is a certain kind of individual who looks upon relief as legally due him, who openly declares that the municipality must take care of him and his family, and who believed that the civic authorities have no other alternative but to provide him with the necessities of life.

This Hamilton judgment shows that Canadian Municipalities are under no obligation, that they are not legally compelled to provide food and shelter, for those in need. There is, however, a moral obligation which can hardly be ignored. Municipal authorities everywhere recognize this and act accordingly, but that does not alter the situation that anything that is done is not done because those citizens have a legal claim but because the authorities voluntarily assume the duties of providing.

In view of the fact that a number of municipalities have announced that they will shut off giving relief after a certain date, it is well that this principle has been established by a court decision, and those who may have a wrong impression of the obligations of municipalities will understand.—Cornwall Standard, Freeholder.

**Don J.H. Flin, Man. Flin Flon, January 19, 1934, To the Editor:**

Being a man who takes a great interest in the general conditions of my native land, and being affiliated with the C. C. F. I am, I believe, interested in the debate held in the Flin Theatre last night on the subject of "The New Deal".

What I object to is making a comedy out of a subject serious and vital to the welfare of our people in Saskatchewan. The participants, with the exception of two, seemed to be more interested in smart comebacks and using clever quips than bringing out the real truth of the C. C. F. program, or the basic ideas, and their cause, that exist in the present social order.

Now I think it is high time that we in Flin Flon who think about other things than backbiting and the funny pictures, and the "how-to-be" house, should prove there is a lot being done that should get together and grapple into current issues. That here will be able to deal intelligently with these problems which we are called on to do. Let show some of the rugged individualism and initiative so actively held up by one of the speakers, also some of that love of liberty and freedom held up by another speaker, and so on the platform and express the ideas held by each of the speakers for holding them, without having to apologize to any man or woman.

If the ideas are good, and the reasoning is fairly and not based on high and fast, those ideas should be proved wrong in an open debate, and all platform tricks and the idea of slip over the other fellow. A great deal of education and enlightenment can be spread in this little town, and the follow-up-teams with some backing mental stimulus and knowledge, and two or three debates conducted along these lines will set the ticks pulled to drink laughter and applause from the audience, and they will appreciate a sincere attempt to get the best of the participants, but put forward their own views on our present situation, and the cause of it, because of this class or better ideas, will be able to grapple with the greatest periods that have ever existed in history, the masses starving because there is too much to eat.

Now to state this plain, I will have challenging the views of the I. L. P., the only political or non-political in the town affiliated with the C. C. F., to debate the following things, myself or some other one taking the affirmative.

Resolved: That the Socialist system of production and distribution will solve all our economic and social ills" and this challenge is open to anyone who can accept it.

Anyone interested in a debate of this kind, from this point of view, can be contacted at the C. C. F. through Box 391, town.

Yours faithfully, GOLDEN SMITH

Reg'lar Fellars' Column

Well fellows we sure had lots of fun at our meeting last night in spite of the fact that we few turned up.

"Finger Puller" "Finger" showed us a map with his trail all over the world marked in it and the trails behind his a redlined trail. He also showed us a Harlequin's hair which he took himself and it was the funniest looking head he ever saw. "Honey" has promised to bring a cake from his travels each week and explain them to us. He says he has enough of them to keep us going for years.

"Honey" and his "Vibronic" guy has us going as Gordon Fishback could not wait for Honey to give the order and he said Bruce Bennett were caught repeatedly.

"President" "Buck" did not show up again and if he doesn't come next week we're going to get after him and we don't mean much.

The fellow that says again what we discussed last time but last night they debated to our friends. These fellows are sure "Finger" "Finger".

We are arranging for a big evening on the evening of the big day our next month and hope all our friends will attend. Watch for it.

There were no reports the last time of "Theobald's" being

HEALTH

A BOX OF SALVE Among the sacraments of medicine that go to make up the household's supply of "medicine" there is usually to be found a box of salve. It is the most useful and the original purpose has been quite forgotten. Even if it has been acquired recently it is most apt to be soiled and so contaminated by careless fingers and frequent use.

Outcasts which have been prescribed for specific conditions are of unquestioned value; they are the established remedies for a number of these ailments. Outcasts, however of the "household" type, are not in the medicine chest being to the great advantage of many a household "venerable". They are said to cure with some every kind of skin disorder from eczema to cold sores. Their droves are selling to serve to their efficacy in almost every ailment.

Sometimes those outcasts do not respond to the dry skin treatment the delay is due to the outcast's not being a collection of pure that should be shown to make fresh.

The real danger, however, that lies in the use of outcasts by children or adults in their indolent use of hand scratches and wounds. Such treatment and wounds should be regarded seriously. Very often

NORTHERN FUR QUALITY EXCELLENT THIS YEAR

W. Coultie Rochette, Hudson Bay Agent at Pelton, Narrows, who is in Flin Flon on business for a few days, stated that northern fur trapped this winter are of excellent quality and a much better grade than usual.

There is heavier further north with the greatest precipitation being at Fort Nelson. The heavy blanket of snow which fell early in the winter has given no opportunity for lakes to freeze solid despite the extreme cold weather and lake travel is very dangerous. The heavy blanket of snow which fell early in the winter has given no opportunity for lakes to freeze solid despite the extreme cold weather and lake travel is very dangerous. The heavy blanket of snow which fell early in the winter has given no opportunity for lakes to freeze solid despite the extreme cold weather and lake travel is very dangerous.

They require medical care if a serious condition is to be avoided. Medical cases of appendicitis, "blood-poisoning" have followed the common use of outcasts without to be insignificant irritation. In the case of even the slightest abrasion accompanied with wet, there is the danger of tetanus or "lockjaw".

What should be used to see that they are clean? The most effective cleaning agent is the well-known "wax" "Purific" D. It is one of the best-known antiseptic skin lotions may be used, and a clean-grooming application. This procedure should be an absolute precaution in instances where the oil or scratch is at all severe, the fact that the use of outcasts by children or adults in their indolent use of hand scratches and wounds.

### TALKIE TALK

Some say Bonnie Crosby will wear her hair as ever did it. But right now it doesn't seem as if out of the ordinary to see that it would be played generally with long, loose and thin curls and, if it had not been cut so much as a wisp.

Bonnie, aged four and a half, is seen with Bonnie Crosby, who will change an outdoor costume to play the Lane film, and Princess Dee in "King of the Jungle" and other dramas which come to the Rex Theatre on Wednesday and Thursday January 28th and February 1st.

In his role of the Lane man as a child, Bonnie worked with the same animals which attacked Crosby one day and sent her to the hospital bed with Bonnie they were gentle as lambs.

Maui's sister, feminine actress, Julie Wain, and other animal substitutes working on the production, declared that the lambs seemed the complete lack of fear in the child.

### OLSEN'S BIG MOMENT

There's no hint of comedy that "The Last of the Mohicans" has anything to do with a comedy with animals. As far as it is concerned, the picture is a serious one and will not have any of those in its picture.

WANTED—General Work for Private House by capable girl. Apply on page 115 p.m.

### Associated B. of T. Holds Meeting At Winnipeg

News interest was shown in the annual convention facing the province by the large attendance of delegates at the Annual Convention of the Manitoba Associated Board of Trade held in the Park Hotel, Winnipeg, on January 19th when representatives from 15 Branches of Trade throughout Manitoba were in attendance.

In his opening address President Evans stressed the importance of the various problems facing the country today, and said "I suggest that we have three main lines of tactical, moral, social in the world are waiting today for the adjustment of what are strictly business propositions. We must return to the country a more effective way of communiting and service. Automatically thus came the important case of understanding and personal contact between business men and thereby lay the great value of the Manitoba organization. After touching the financial questions facing the country Mr. Evans concluded with a word of confidence for the future and the ability of the organization to play its part. The convention was in session all day, an extra session being held to close up the business in addition to which the newly elected executive council met and elected officers under complete plans for future activities.

#### CARD OF THANKS

Joseph Marlon and family wish to express their sincere thanks to the many friends and relatives, especially in Flin Flon and The Pas who were so kind to them during their recent bereavement, and to those who sent floral tributes to the funeral. They would like also to express their sincere appreciation for the kindness of Father to Bids of Flin Flon, the Catholic clergy in The Pas and the Elks Lodge of Flin Flon and The Pas.

#### SCHOOL DEBATES

Before the Christmas holidays Grade Seven held two debates. The first was "Home-work is No Home-work." Those who took part were Betty Brock, Ernie Babin, Glen Peterson, and Margate Pedersen. The second debate was "Are Mothers beneficial for the school pupil or not" with Patricia Reynolds, Odd Laidson, George Anderson, Mary Murray, Miss Knutser and Frank Holmstrom, debating. The first debate of the year 1934 was "Automobile vs Airplane" on the affirmative side were Arnold Macpherson, Joe Cook, Cecile Campbell, the negative Arna Lewis, Gerald Allen and Angel Berg. The debate was won by the negative after a hard struggle.

The rest of the class showed great interest almost too much. They continually broke in talking and had to be severely reprimanded. Nevertheless, the class was well behaved and they are looking forward to the next one which will be held in the near future. —Contributed

### With The Reporter

Harry Kopel will know local baseball, was the guest speaker at a street meeting held Thursday night in the Legion Hall by members of the Jewish Community. Harry has relinquished his interest in the Greyhound industry and Kopel will reside permanently in Winnipeg.

Lloyd Stanting received the appointment as Municipal Engineer for the town district. Some five applications were received by the council. Lloyd is the son of Mr. and Mrs. W. H. Stanting of The Pas and has been employed here by the H. B. M. A. Co. for the past year.

John Ham, local dog catcher, is still busy these days and the town clerk reports nearly 150 dog bones have been issued. How about "Tartar" Charlie?

The council has made it clear that the by-law prohibiting vending machines will not be altered. How about a by-law on hawkers and peddlers?

A lot of applications is coming through the mails these days. All the result of the Municipal Audit being made by A. D. McLean.

The town fathers have under consideration the appointment of a P. H. Health Officer for Flin Flon. They are also seeking for a \$10,000 Municipal Hall to be built as a replacement. Page Santa Claus.

### Elks' Band and B. E. S. L. To Give Joint Concert

A meeting of the Elks Band and band instrumental players was held Wednesday at 2 p.m. in the 222 Hall. The afternoon getting together was most successful and a joint concert meeting will be held the same evening for those on the odd shift. T. O. B. Thoresen was elected band leader and Carl Sandstrom assistant. Invaluable News was appointed Treasurer. Practice will be held Monday evening from 8:30 till 10:30 and Wednesday from 1 p.m. to 3 p.m. A concert will be staged in the Odd Theatre on Sunday, February 11th under the joint auspices of the Elks and the Canadian Legion.

### Junior Dog Musters Are Showing Improvement

With a burst of speed that would have done credit to any amateur dog team, Jimmy Attridge's three relay dogs came to the show on Saturday to clip another amount of the record.

Henry Bunting, Jimmy Attridge, Willie Kelly and George A'ron faced the starter at the Post Office at 2 o'clock sharp and got away to a straight start with Kelly being left at the post.

Jimmy turned the Elks & White course with Henry as first behind him and George close up. Kelly was rapidly falling behind, pulled partly down by his team having to pull a heavy load.

At the Flin Flon Hotel corner, Attridge was leading. Bunting by two yards with A'ron close up but Kelly had dropped back two hundred yards and was well out of the race. Jimmy turned the Richmond corner on one runner going like the wind and spurted up Main Street as a pace that rounded out the dog days of East, Shorty, Bert, Hector et al.

Attridge passed the winning post in the record time of 3 minutes, 30 seconds with Bunting just 10 yards behind him and A'ron 300 yards back.

A large crowd turned out to see the race and the general opinion was that the two leaders have not made the mark of the future world champions.

Within the next two weeks the local boys will start training for the My race to the Meany Mine and back which will be run on February 26th.

#### FUNDS NEEDED

The Social Welfare Commission will commence its drive for funds in February in order to meet the demands for relief outside of that coming under the Municipal relief scheme.

Owing to the fact that the awards for appeals had passed prior to the organization of the Commission Christmas hamper were provided through direct donations to the fund and the emergency fund. A few names have been provided for during January but it will be necessary to commence a drive for funds immediately.

It was announced today by the President, Mr. G. F. Cross. All lodges and fraternal organizations represented will be written to for any assistance they can give to start the Commission functioning. Advertisers for the remainder of the winter and personal donations will be needed for any members or representatives of the Welfare Commission.

#### BAKERTHALL GIRLS ENTERTAIN AT SOCIAL

A pleasant evening was spent Tuesday when the Bakershall Girls entertained at a social evening at

#### The Community Hall

The early part of the evening was spent at bridge and what after which a splendid lunch was provided by the girls. Following the lunch, dancing was enjoyed for an

#### hour, music being supplied by part of the Herman Grove Orchestra.

The committee in charge of the party was Mrs. F. Curt, convener, with Mesdames S. Thompson, M. Koska, Greenberg, and Waters.
